Because you live in a land of freedom and opportunity, your whole life should speak forth with thankfulness. Live honestly and use wisely whatever talents you have been given. Happiness and success come to those who do the best they can, no matter how small or large the task.

John A. Redmond

Message to the Seniors:

The time has come to say good-by to the security and protection that your youth has offered you, and to step through the portals into the adult world.

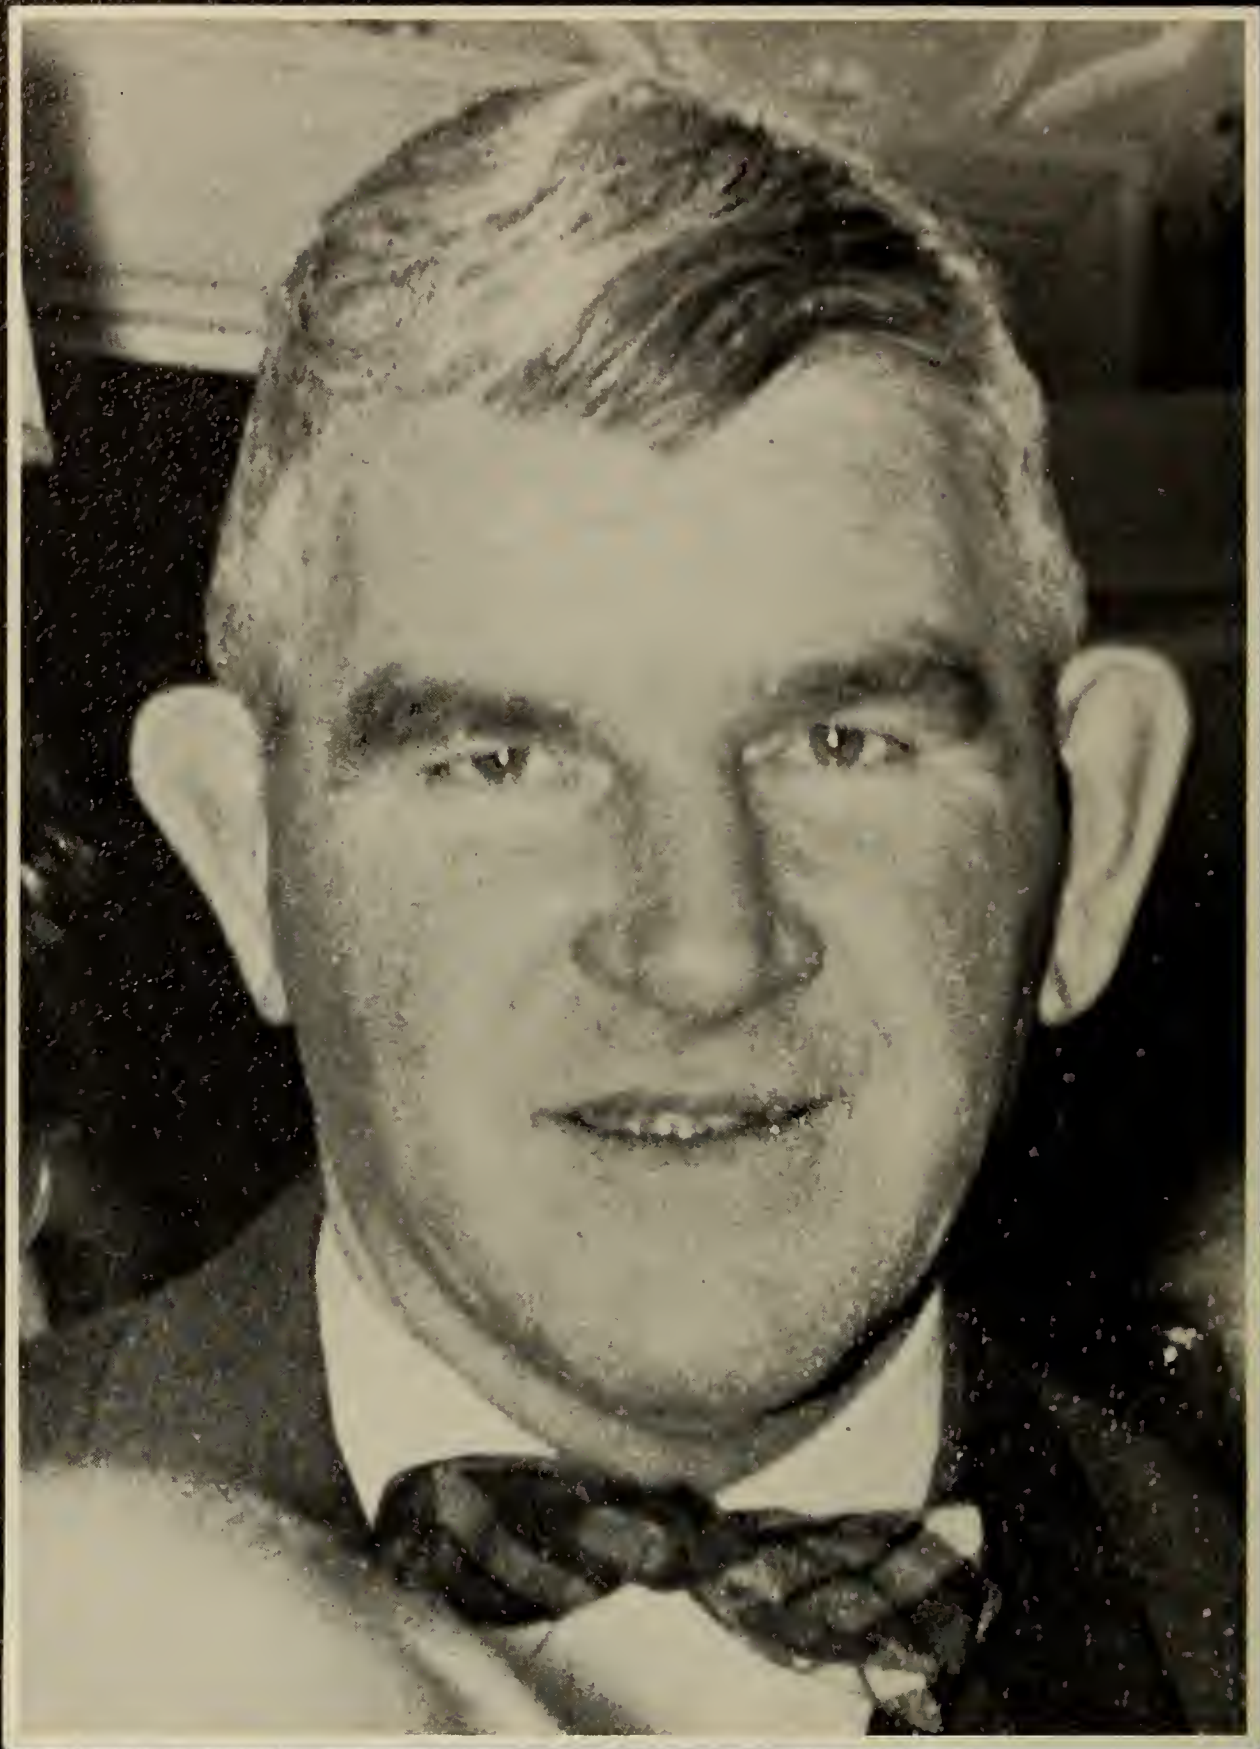

You should not be afraid because you are prepared. Your teachers have placed in your hands the implements of learning, and encouraged and guided you to use these tools wisely. You have been prepared by the devotion of your parents who have given you sound minds and healthy bodies, high ideals and moral righteousness, plus the spiritual foundation that has molded your characters and will inspire your success.

To each and everyone of you, my best wishes for happiness and success in your chosen career.

# DEDICATION.

To William Richard Cronin, Teacher, Coach, and Friend, we dedicate this book of schoolday memories.

*"His life was gentle, and the elements  
So mixed in him that Nature might stand up  
And say to all the world 'This was a man!'"*

Mr. Cronin was responsible for organizing the South Shore League in 1949 and was instrumental in moving the league to Boston Arena in 1952. His teams reached their peak in the 1955-56 season when the team was crowned co-champions of the league and were semi-finalists in the State Tournament.

CO-EDITORS

We, the editors, sincerely hope that this 1957 edition of the Hingham Highway will become one of your most cherished possessions in the years to come and on many occasions will be the stimulus to relive happy memoirs and renew unforgettable friendships of our high school days.

We are most thankful for these four years and to all who made these memories possible.

Makiko Hibi, our Japanese visitor from Japan.

I was born on a cold winter morning, December 8. I have been brought up as one of my parents' four daughters, happily, but rather strictly. I was an extremely active and spirited girl until I entered the private mission school, Kaisei Girls' School from the public school. This great change affected me, especially mentally. I got certain faith as the guide of my spirit.

Inheriting my parents' interests, I love to listen to music, both classic and popular. From my childhood, I loved to go to concerts with my parents. I remember although I could not understand music, I liked the atmosphere—everything was quiet except those attractive sounds from different instruments.

For my future, I have chosen the vocation of teaching. Sometimes people say that teaching is commonplace. It may not be a great business. Still I believe teaching human beings is sublime work, which I love.

Now, thanks to hundreds of people, I am having the most wonderful experience in America. I am deeply impressed with many new people who have been very nice and kind to me.

I cannot believe any dreadful war among such wonderful people. So I firmly believe that we youngsters who will make up the next generation can maintain the peace all over the world.

## CLASS HISTORY

When we entered Hingham High School as freshmen, everything was out of proportion—much too big. Now that we are about to graduate, all the material things around us seem to have shrunk, but, in reality, we have grown—physically and mentally, we hope. We are not perfect, but at least we have improved. The past four years were filled with successes, defeats, and loads of fun. We can look back at these things and smile at them now. Some of them seem so unimportant and childish, but their memory we do not want to lose.

The first class function to which we were invited was a "welcome" buffet supper sponsored by the sophomores (class of '56). President Bill Baldwin, Vice President Dominic Galluzzo, Secretary Diana Hurley, Treasurer Eddie Rose, and the executive board voted to reciprocate with a square dance for the two classes. Later, in June of 1954, the class picnic at Duxbury Beach was enjoyed by everyone.

Mrs. Soper and Mr. Ricci helped the class struggle through the sophomore year in a brand new building. Loraine Bazinet, Nancy Elmore, Mary Gent, Alice Jacobs, Lois McMonagle, Pat Perrier, Justine Ripley, and Diane Stoddard were chosen to twirl batons on the majorette squad. Chief hoboes at this year's money-making scheme, the "Hobo Hop," were the class officers: Sue Jenner, President; Rick Baldwin, Vice President; Betty Faria, Secretary; and Dave Berman, Treasurer. Two clubs were formed this year—the Science Club with Mike Zerner elected president, and the Math Club with many of our classmates as members. The new cheerleaders, selected by the school from girls in our class, were Jean Bates, Margo Biddle, Paula Butcher, Pat Calvi, and Judy Means. In June, in spite of some objections to the horseshoe crabs, we returned to Duxbury.

There was much to do in the junior year, and there seemed a lot less time in which to do it. Bill Baldwin and Betty Faria were re-elected to their old class offices along with Joyce Berry, Vice President, and Bob Tracy, Chancellor of the Exchequer. At the end of the football season, members of the team elected Dave Berman and Terry Galo co-captains for the next year. "Stardust" was chosen the theme of our junior prom. The gym was difficult to recognize, decorated in silver and blue, when Fred Ayers and Betty Faria were crowned king and queen. In the spring Lew Nierman broke both the South Shore and state records for the high school javelin throw, and our faithful treasurer, Bob Tracy, received the coveted Harvard book. Then more of our classmates became leaders in school activities: Eddie Goldman and Bob Tracy, co-captains of the basketball squad; Margo Biddle, captain of the cheerleaders; Nancy Elmore and Diane Stoddard, co-leaders of the majorettes. Bill Cronin and Lew Nierman were chosen by the entire student body to serve as president and vice president of the Student Council. When school closed for the year, Jerry Fogel, Dick Morrill, and Bill Pratt attended Boys' State; Dotty Jermyn went to Girls' State. Bill Baldwin and Joyce Berry were the first from H.H.S. to travel to Europe on the American Field Service summer student-exchange program.

Mr. Magnuson and Miss Zammitti, with the class officers, Bill Baldwin, Sue Jenner, Betty Faria, and Mike Zerner, led us through the senior year, when the class was busier than ever. Mako Hibi, our charming Japanese student, was a special treat for us. In the fall the D.A.R. Good Citizenship Award was presented to Dotty Jermyn, president of the National Honor Society. A few weeks later a school newspaper, the "Harbor Light," was started at H.H.S. with Jerry Fogel as editor-in-chief. Bill Baldwin was named a finalist in the National Merit Scholarship program, the first candidate in Hingham. In March Dominic Galluzzo went to the State House as our Student Government Day Representative. April saw ten seniors, Abi Allen, Rick Baldwin, Dave Berman, Connie Cronin, Gail Eaton, Judy Eggleston, Bob Fahey, Bill Pratt, Diane Stoddard, and Sibley Wright, traveling on a student-exchange trip to Westmount, Canada, with their advisor, Miss Butterfield.

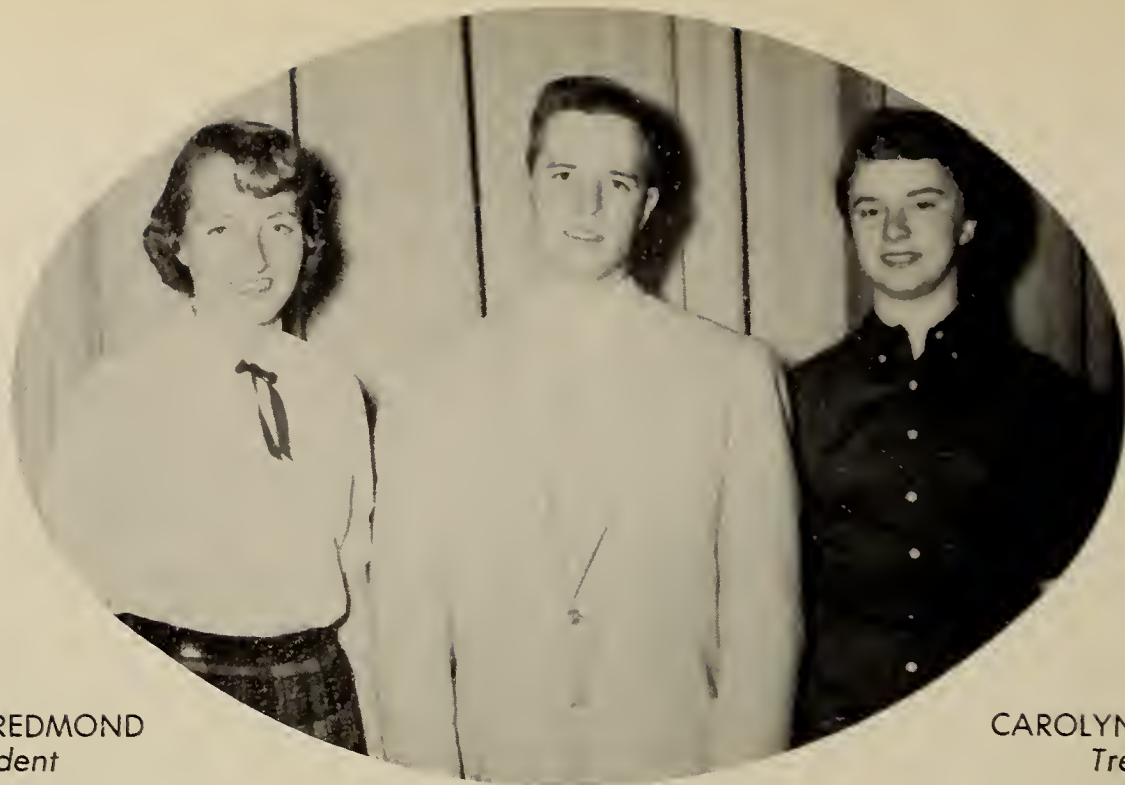

WE are seniors and about to tackle a small chunk of life. Something of ourselves will remain behind at H.H.S., but we do not begrudge this to such a wonderful school. We are glad that we spent our four years at the Hingham High School.

# SHOPPING FOR A JOB?

## CHECK WHAT YOU WANT:

- ☐ *Good starting salary  
with regular raises*
- ☐ *Pleasant work with other  
girls and young men*
- ☐ *Prestige of a responsible job with  
a well-known and respected company*

If your list shows three checks, then you should check into what the Telephone Company has to offer you. Smart girls are doing it now, before they graduate from high school. Come in and see our employment interviewer soon. You'll enjoy talking with her.

Act now, and you can say with pride, "I'm all set! I'm going to work with the Telephone Company!"

See the Guidance Counselor at your school, and talk first with her about when and where to apply.
